Unit 24: Lizards & Skinks

Mission — Anole Watch: track color vs temperature and time of day. Watch-only — tails drop when lizards are grabbed.

Day	Color	Temperature	Time of day

Teen basking log — time	Temperature	Basking or hiding?

Unit 24: Lizards & Skinks — Habitat Build Log

Mission — Build a Lizard Habitat: sunny rocks, log piles, leaf litter, and a shallow water dish, all wild and open so lizards can come and go. Look, don't grab. See the full guide at livingrootgarden.com/lizard-habitat-for-kids-widgets/

What you built
