Unit 25: Good Snakes, Bad Snakes

Mission — Safety Poster: freeze, back away, get a grown-up. Book study only — no field contact with snakes, ever.

Venomous species (from the guide)	How to recognize it

Safety poster checklist — freeze / back away / get a grown-up: done?

Teen — why the coral-snake rhyme is unreliable:

Bite first aid: call emergency services fast, keep the person calm and still. No tourniquets, no cutting, no sucking out venom.
